

2018 Greater Erie Award Nomination Form

Preservation Erie is now accepting nominations for the 2018 Preservation Erie Greater Erie Awards! The Greater Erie Awards are presented annually by the board of Preservation Erie to three individuals, businesses or organizations that are exceptional stewards of the physical and cultural landscape that is Greater Erie. The awards are organized to attract and educate residents and community leaders, and celebrate Greater Erie's successes in planning, design, adaptive reuse, and preservation. Structures nominated must be located within Erie County, Pennsylvania.

A total of three Greater Erie Awards will be made annually from the following categories*.

AWARD CATEGORIES

- 1) **PRESERVATION EXCELLENCE** – buildings, structures or spaces (that are at least 50 years old) that have been conserved, stabilized and preserved in a manner honoring the individual property.
- 2) **ADAPTIVE REUSE** - buildings, structures or spaces (that are at least 50 years old) that have been renovated to allow a thoughtful or community-enhancing reuse that respects the historic character of the site.
- 3) **DESIGN EXCELLENCE**– buildings, structures or spaces (that are less than 50 years old) that have been constructed in a manner that both honors the character of the existing built environment and uses green energy best practices including creating the least amount of environmental impact and/or LEED (Leadership in Energy and Environmental) certification.
- 4) **EDUCATION AND ADVOCACY** - This award acknowledges the work of local photographers, authors, community advocates, non-building related projects, and others who are helping to raise awareness of historic preservation. Nominees must live in Erie County.

*Depending on submissions, it is possible that the three awards will be made in one category. For instance, if no submissions are made in the DESIGN EXCELLENCE or EDUCATION AND ADVOCACY categories, but worthy submissions are made in ADAPTIVE REUSE and PRESERVATION EXCELLENCE categories, then three awards (total) will be presented in the latter two categories, and none in the former.
